The new varsity coaching staff

Coach Nixon

Q: What did you think of your first season as Head Coach?

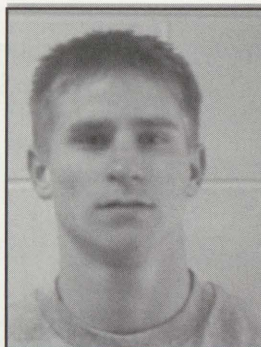

A: I think we had a lot of ups and downs like any team does, but the players worked hard and I think our victory in our last game really gave us some inspiration going into next season.

Coach Ritt

Q: What did you think of your first season as Varsity Defensive Coach?

A: We had some good individual performances on defense but our lack of numbers on defense leaves a lot of room for improvement next year.

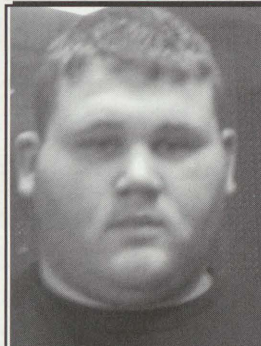

JASON FERENS

Q: What did you think of this season?

A: We played really well with the amount of players we had this year.

Q: Do you have any advice for next years players?

A: Get in the weight-room and get more people to play next year.

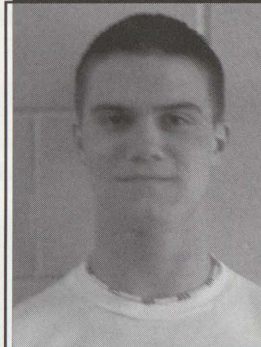

NICK HANEY

Q: Did you have any season moments you will remember?

A: Yes, winning the three most important games. The first game, Homecoming game, and the last game.

Q: Any advice for next years players?

A: Be sure to have fun and play together as a team.

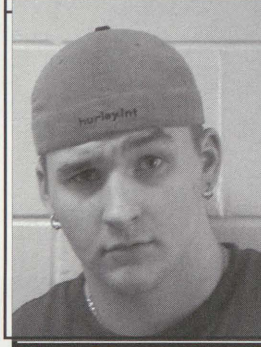

NICK JACQMAIN

Q: Do you have a memorable moment from this season?

A: When we won our final game against Carson City Crystal by one point.

Q: Any advice for next years players?

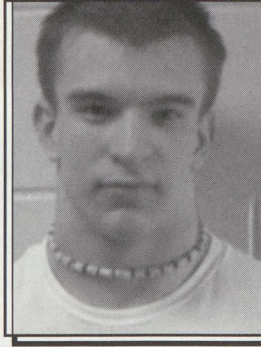

A: Just stick together as a team.

AARON GOLOMBEK

Q: What did you think of the season?

A: We had some hard times that we managed to get through and I think that next year is going to be a good season.

SETH ST. CHARLES

Q: Do you have an good memories from this season?

A: When Gomer (Aaron Golombek) played in the game against Carson City Crystal with only one cleat on.

CARTER BELL

The one thing that I'm really proud of in soccer is that the soccer moms love me. That and I also look really good out there. I just wish more girls would watch me.

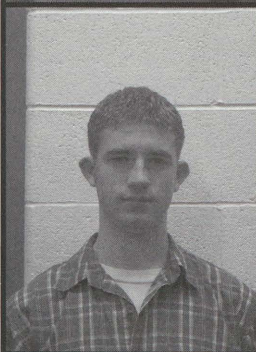

KYLE ANDERSON

Soccer is a great sport to play. It has built up my stamina, and increased my leg strenght. I also got an honorable mention this year, because of all my hard work.

KELSEY KRUEGER

We had some really bad weather during the games this year. I really hate to play in the rain. But there were also some good days. I guess in the end it just balanced out. I can't wait to play soccer next year.

MATT HISTED

I love to intimidate my opponents. The way I do it and most other players is to runner at them hard, and then slid tackle them. It's great to laugh at them too.

Girl's Varsity Basketball had a strong beginning to their season and came out winners in the end.

Keeping their heads up and their goals high, they showed true determination out on the court and proved they were a force to be reckoned with.

"I had an awesome time with the season and will miss my teammates dearly when I graduate. I do however plan to play basketball in college."

Sarah Dugan always makes winning look easy.

Our ladies at the start of the race.

A FEW QUESTIONS FOR OUR FAMOUS GIRLS TRACK COACH

COACH CAIN

How do you think the season went?

The season went very well. Seven athletes qualified for state finals. One thing I would change for the season is the weather. We had four meets cancelled and had very little practice time.

Lauryn Wierda at her best in her event.

Wow!! I didn't know our girls could fly. And with their backs to the ground too.

WHAT WAS YOUR FAVORITE MEMORY OF TRACK THIS YEAR?

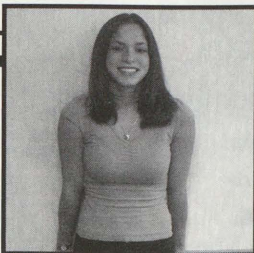

SARAH STIMPSON

A.K.A. (STIMPY)

Our obsession with the word "Jam", Anna's gross habits, Coach K's rapping about my butt on the walki-talkies, Coach R's eating, the hot spot, the mission impossible trip to Sanders, our

determintation to corrupt Sarah Dugan and Bacus!!

RACHEL SUITOR

A.K.A. (RAE)

Voting on horses, sand pit, the "Dog" run, bat in the cave, the megaphone at Junior high track meets, Bobbing, Larry, the 1st year track runner, and the good old "HRA" club, also trying to corrupt Sarah Dugan.

Memorable Moments

Katy Geyer-

Our SVSU tournament was one of my most memorable moments, because it was our coach's college and we took first place.

Definitely our game against Swan Valley, because in the beginning they thought they were better than us, and in the end we beat them.

Megan Lesnar-

I would have to say Kelly's coaching and beating Mount Pleasant for first place in a very hard tournament.

6 myths

About your local community college

will be in classrooms with about 25 students. At Delta one-on-one doesn't mean basketball, it means personal attention. We don't have any lecture halls that seat 500 and we don't have any graduate assistants, so, yes, we educate you differently than large universities.

We will offer you faculty who will meet with you before and after class just to make sure you are learning. Faculty who are current and up-to-date with what they are teaching. We don't think at Delta that you just get as good an education as you get elsewhere . . . we think you get a better one.

Myth No. 4

Delta College faculty aren't the same as faculty in four-schools.

No, they're not. All the faculty teach at Delta College. All the time. You'll be taught by faculty members who will care about you personally, and about how and what you learn. We recruit faculty from across the country to give you the benefit of diversity. Our faculty have master's and Ph.D. degrees related to what they love to do – teach. You
